

Antenatal Risk Questionnaire training

Free workshop
for GPs and
obstetricians.

The Antenatal Risk Questionnaire (ANRQ) is now funded under the Medicare Benefits Scheme. This free workshop, led by Professor Marie-Paule Austin, will teach participants about the benefits of psychosocial risk assessment and how to use the ANRQ with women who are pregnant and after they give birth.

Date: Thursday, 1 February 2018

Time: 6.00pm to 8.00pm

Location: Function Room, Level 3, St John of God Subiaco Medical Clinic
