

# Implementation Roadmap WAPHA Stakeholder Engagement Framework

	Year 1 (FY22)	Year 2 (FY23)	Year 3 (FY24)
<b>VISION</b>	<i>We have consolidated our existing stakeholder engagement practices to establish core practice standards, and staff are beginning to apply them</i>	<i>Our stakeholders can expect consistently high standards of engagement, reflecting the embedding of our standard practices.</i>	<i>Our stakeholder engagement practices have matured and are sophisticated, tailored, and responsive to our stakeholders.</i>
<b>GOALS</b>	<ul style="list-style-type: none"> <li>• Our leaders demonstrate commitment to a culture of effective engagement</li> <li>• Our staff have a complete understanding of our Stakeholder Engagement Framework and practices</li> <li>• We have established the foundations for effective engagement</li> </ul>	<ul style="list-style-type: none"> <li>• Our stakeholder engagement practices are supported by robust digital systems</li> <li>• Effective stakeholder engagement is 'the way we do things around here'</li> <li>• We actively monitor our stakeholder engagement practices</li> </ul>	<ul style="list-style-type: none"> <li>• Our stakeholders perceive us as a leader in stakeholder engagement</li> <li>• We have broadened and deepened our relationships with key stakeholders</li> <li>• We can demonstrate the impact we have had through partnerships and engagement</li> </ul>

## HOW WILL WE KNOW?

- Our staff understand the Stakeholder Engagement Framework and its relevance to their work
- Our core stakeholders have a clear understanding of our mutual purpose and reasons for engagement

## HOW WILL WE KNOW?

- Our staff are recognised and held accountable for demonstrating effective stakeholder engagement
- Feedback from our stakeholders is evidence that our engagement principles are being effectively applied

## HOW WILL WE KNOW?

- Our staff are confident and fluent in effective engagement
- Stakeholders are confident in our approach
