

# SIX QUESTIONS

to ask your visiting GP to prepare for an outbreak of COVID-19

1

Have you seen our COVID-19 **outbreak management** plan?

2

Will you continue **providing care** during community transmission of COVID-19?

3

Can you perform **video consults** via mobile phone or computer?

4

Can you help **monitor our residents'** symptoms?

5

Can we talk about **sourcing PPE and rapid antigen tests**?

6

If there's a COVID-19 outbreak in this facility, **how should we let you know**?
