

GP Registrar Workforce Planning and Prioritisation consultation

Country WA

WA Primary Health Alliance is the provider of the Australian General Practice Training (AGPT) Workforce Planning and Prioritisation (WPP) activity across Western Australia.

We invite you to be a part of the conversation about the workforce needs and training capacity for GP registrars in regional WA. This event offers a networking opportunity and time for you to share your insights into the future of the GP registrar workforce in your region. More information on the GP WPP Activity can be found [here](#).

Please note, this event is in relation to AGPT GP registrars only.

Find an event in your region and RSVP [here](#)

A meal and beverage will be provided.
RSVP is essential to attend.
