

# GP Registrar Workforce Planning and Prioritisation consultation

WA Primary Health Alliance is the provider of the Australian General Practice Training (AGPT) Workforce Planning and Prioritisation (WPP) activity across Western Australia.

We invite you to be a part of the conversation about the workforce needs and training capacity for GP registrars in the metropolitan region. This event offers a networking opportunity and time for you to share your insights into the future of the GP registrar workforce.

Please note, this event is in relation to AGPT GP registrars only.

More information on the GP WPP Activity [can be found here](#).
