

Mental health postpartum survey

We would like to hear about any mental health difficulties you experienced postpartum.

Your responses will help inform the development of interventions to optimise the mental health and wellbeing of postnatal women in Western Australia.

The survey is:

Voluntary

Anonymous

Please scan the QR code or click here to take the survey

If you have any questions about the survey or your participation, please contact the coordinating principal investigator via WNHS.MHS.NewBeginnings@health.wa.gov.au 6946_WNHS_0425

This survey has been approved by the Central Office of Research Ethics (CORE) Human Ethics Research Committee at WA Health (permit RGS6832).
